Dear Resident :

The City of Troutdale has completed the design phase for the Sunrise Park Parking Lot Improvements. With this project two new parking lots for the park will be constructed. These parking lots will be located at SW Hensley Road and at SW 21st Street within the City Park.

I am the Project Manager for this work. The City has advertised for bids for this project and has awarded this public contract to Moore Underground, Inc. Construction is estimated begin in the coming weeks and is anticipated to be completed this winter.

As with any construction project, you should expect increased traffic and noise. Please be mindful of the allowable hours of construction activity: 7AM-9PM on Monday through Friday, 8AM-7PM on Saturdays, and 10AM-7PM on Sundays. If the contractor happens to create a disturbance outside of these hours, please notify Troutdale Police at 503-823-3333.

At this time, no public meetings are anticipated for this project. Should you have any questions or comments about this project or like to see a copy of the construction drawings, please do not hesitate to contact me at (503) 674-7240, john.bushard@troutdaleoregon.gov, or at the Public Works Shop (342 SW 4th Street, Troutdale, OR 97060).

Sincerely,
CITY OF TROUTDALE

A handwritten signature in black ink, appearing to read "John J. Bushard".

John J. Bushard, PE
Project Manager
